

Feature

Push Switch

Electrical characteristics

- Contact Resistance..... 100 m Ω Max
- Insulation Resistance..... Initial More than 100m Ω
- Dielectric Withstanding voltage..... 2000VAC,(50~60HZ,2mA)
- Voltage and Current..... AC 250V; 10A

Mechanical characteristics

- Operating Force..... 300gf~500gf

Durability

- Operating Life..... 25,000 Cycles Min

F-Switch Series

Tact Switch

F-SP160

Horizontal Type, P.C.B. Terminal
